- **2-Day Heavy Duty June 26-27, 2010 in Painesville, OH**

Each class is filled with some theory and LOTS of hands-on sessions. We will focus on many different aspects of heavy duty recovery, including quicker/safer methods & new ideas from all across North America. There will also be many opportunities to network with other progressive towing operators. These sessions are geared for experienced operators, but all are welcome!

Do not miss this opportunity to broaden your horizons!

Knowledge is power!
Knowledge is power!
